---

spreegemI got a 160 Gb hard drive from Santa Claus YAY! My bro got an ATI Radeon 9600 XT from santa and my sis got a DVD, some clothing, and an alarm clock / radio from santa. I can't wait to open my presents. I can't wait for Christmas dinner. I love Christmas dinner . . . Ham, masked potatoes, rolls, dumplings, stuffing, turkey, sweet potatoes, beanie wienies, deviled eggs, pies, gravy, fudge (goey and not hardening at all been in fridge all night long)

Don't tell me. You still believe in Santa?
