Sir PhoenixxUmbral_DelaFlareDude, if you do get that car, I am SO going up to Central Florida to steal it from you.

Lol... It's not an "if", it's a "when"...

And you wouldn't be able to steal it from me. I have the ultimate security system planned out. I'd gladly spend the money to have the best security devices installed...

If this "ultimate" security system involves some string and a well-placed bucket of water, that car is as good as mine.

And here in South Florida, you won't believe the things I can do to make your car look like mine.

/me laughs hysterically.

BTW, if you ever wish to talk, I usually hang in #n00bstories so come in and visit.

Merry/Happy Xmas and Happy 5th Day of Hannukah!
