I'm looking for a photoshop tutorial, and I found one but it gave an error this page can not be displayed BLA BLA BLA thing. . . SO I was wondering if any of you knew where I could find this tutorial at. I am looking for a tutorial on how to make an eye like the LOTR eye thing, or a flaming eye of some sort. I found a tutorial here but it gave me the error thing
<http://www.good-tutorials.com/search.php?offset=10&q=eye> it's the bottom one, I am looking for a tutorial that can teach me to do that.
