sniper12345ANewOrdersniper12345SS217Simple solution to the number of 'Reborn sucks' threads made by sniper12345..

sniper12345 = ACK fanboi

Simple. He'll do anything to get on ACK's good side.

BS. I like Ren Alert, not ACK. It just happens that ACK is working on Ren Alert. Does that make any sense to you?

Maybe its the other way around, you like renalert BECAUSE ack is working on it?

Nope, and why do you say that without any proof?

It also appears that me and ACK both seem to have rather strong opinions about Reborn. So does having a same opinion as someone else means I'm a fanboy?

No, but not having an opinion and following someone else's opinions make you a "Fanboy"
