Subject: n00bstories.com wants a big-ass server... :)
Posted by havocide3 on Sun, 04 Jan 2004 02:17:29 GMT

CrimsonI'm shooting for the dual 2.4 Xeon processor system. I can run two FDS with like 32 players on each on that.

Wait and your wanting us to pay how much a month?

Server Matrix, dual 2.4 Xeons, but yet, only 1000gb BW
