Demolition Man, no one cares about your advertising. It's obvious these people are gonna love Renegade till they die. I mean, come on, you and I KNOW these people are Renegade fanatics, just leave them be. I don't even play Renegade, run my lag-o-licious FDS, or have my Renegade site up anymore. I just stay because I know some good folks here (even though they're some bad ones).

....heh. Nothing new at all.... You've always said nothing but pointless BS from the day I knew you. Makes me kinda pity for you honestly.
