Quote:They converted the icons to jpg format so they are small in size and idea for froums like these.

Cpo64I new that, but I am lazy.

General havoc owns all with that comment

I have noticed that people are wanting the original icons too i'll put them (ALL 171) together for your convenience soon in .dds format so all you have to do is rename them..... after i'm done with the teleporters.

FYI:- I converted ALL 171, Taximes just created his.
