Yes, God is a figment of the human imagination.

Javaxcx: Your definition of an "atheist" includes the word disbelieves. I did not say that all atheists stray away from directly saying there is no God, but merely that there is indeed a difference to be noted.

Here's a fun website to read:

<http://religionisbadforyou.homestead.com/Home.html>

Further development of the previous post: "Religion is the adult version of Santa Claus."
