Man you must of had a bad day. I didn't say you're an ass and I didn't even hint to it. I just said you're a buzz kill.

Edit: They left, I've read teh entire thing and it's bull that Hot Rod thinks they ownt anyone by using cheezy exploits. Geez Blazer, just because I didn't say anything bad to them doesn't mean I didn't read it. Whats the point of making fun of a person that won't come here anymore because
