ok, from the original topic:

<http://www.renegadeforums.com/viewtopic.php?p=63485#63485>

apparently ACK is scared of this. all he did was lock the topic so noone could agree. how bout this: E-mail me at [Dufis791@netscape.net](mailto:Dufis791@netscape.net) if you agree, and if ACK gets to this topic first. lets not let him ruin us.
