I recieved another serial and I am not sure what I will do with it, but here is EA's most recent reply:
Response (Box Richard A.) - 01/27/2004 08:39 AM
Hello

Thank you for getting back to me. I do not know the current status of this project. I have emailed our network admins and they are working on it. I apologize for the inconvenience.

Thank you for contacting Electronic Arts Online Support and please feel free to respond if any of the suggestions I made do not work,

Richard A.
