FreakerVHHalo38

FYI- the C4 shots upload button doesn't work

@my PC it works fine, thinks you have to try it again

nope no glory it is slightly faded you can't click it, it has no link when you click, i refresh but still nothing could it be a problem with my profile (i'm restricted for this area for some reason? if no ill post in other and can you move it please (only one)
