Wrong. I can. If the country was in danger of being invaded, I WOULD GO. It isn't.

Patriot does ring a bell. I answered that bell long ago, and served honorably. If you have orders to go, you follow those orders. He was given a choice. He chose the Corps over being a father. And as I stated above, this is not a personal attack on the Corps. i have nothing but respect for it.[/quote]

You are WRONG...YOU are second guessing what you would do in that same situation. That is an impossible thing to do. Just because he made a hard decision, he is not a father..bullshit. And I never said anything about you not answering the "bell" did I?
