archnemesisThe mod is Regenesiis and the reason i am recruiting is we need some more skilled moddelers and mappers i am a tester for the mod and i am working on some skins for the mod. U can view screenshots on the site as well as read the story plot. I also give them ideas for weapons and other game elements. So as u can see i am not just a tester. So u got any more smart remarks?

ok so ur a tester and u give ideas wow u must be the team leader there

High in rank

ehm....sarcasm...ehm
