See here's how i see it. Republicans suck, and bitches such as the people how said i have bad grammer etc. can suck my balls. I don't care what you guys say. i'm still going to go on pimpin'. For all i care you guys can suck michael jackson's balls. fuck you guys, i hate you guys. You think you're all great, and high and mighty. Well, in my book you don't have to be rich, and republican, and snotty, and stuck up, and obnoxious, and pompous to be great. You do have to be smart, and maybe give a damn about other people in the world. I got news for you republican bastards, you suck, you suck balls, you think people aren't as good as you just because they are a little less well to do. The whole world doesn't revolve around you, you jackassed bitches. I've seen the sight, republican guys like you are gettin' shown up left and right by llama man, and superflyngengi. I wish i knew them. I guess i'll end on a good note. You guys keep doing what you do best (republicans), which is getting made fools of, please, because it's funny. Have a good one assholes.
