DaveGMMYes, because that isn't a piece of Democrat propaganda at all

Are you trying to justify ing yourself over some random person? Also, you quoted my whole post and referred to a small part of it. Not the way to prove a point. I had one question in there. "Why?". "Yes" isn't exactly a good answer to why questions.

MrBobC'mon people, if he lied, let it be.

Finally, someone else actually thinking instead of building on other's insults.

warrantoAny questions?

Yes, I have one. Is absolutely no humor in any shape or form allowed on the politics forum?
