Slicer\_238AircraftkillerYou don't have to read it, homoboy... You do realize that, right? Everything here isn't forced upon you to read.

So if you don't want to read it... You could, gasp, not spend so much time online and not respond to it?

Sometimes I worry about you ACK. The things you say and then you do the complete opposite. =\

I don't recall saying I didn't want to read this thread.

Sorta tosses your whole statement out, doesn't it?

I must say, I admire Titan's composure on these constant attacks.

It shows a level of mature development that other mapmakers would do well to follow.

I take it you didn't see him about a month ago...
