UT2004 Demo.

209MB Get it at all costs!

I played it today and i had so much fun doing it.

The Onslaught game mode is very fun. Involves flying vehicles, land vehicles, turrets and base repairing. Its so much fun, and I only played against the smart ass computer!

I don't want to draw you away from Renegade, but If you don't play this game you'll never know what you are missing out on!
