I think you got the wrong idea on why I revived this post. It wasn't to continue the flaming...it was to laugh at "AirF0rce2003" trying to "protect" DarkDemin. And as I said, it was DarkDemin using a different name to try to stop himself from being flamed. And I remarked that later on AirF0rce2003 was unmasked because he pissed me off. If you search for what I'm talking about, it is like "DarkDemin = AirF0rce2003 = OVER WITH" (the over with part is because I decided to quit making a fool out of DarkDemin because he is a good friend of mine personally)
