I think you're assuming shit because that's all you're capable of doing.

1. "Tib pit 3" is a sorry piece of shit. It took him three tries to get a "tiberium pit" to where it is and it STILL sucks. Nothing but huge, open space, with no cover. Like Terrace, just as bad. Anyone can do that. And they have.

2. I don't give a fuck about any "crown," what I do care about is the little assrammer thinks I'm squelching his "freedoms" here while he posts nothing but drivel in the mod forum, making me delete it to save on the excessive spam there.

3. You're annoying, I know this has no relevance to the discussion but whenever you post, you're an annoying little bastard.
