Guess what, though? The weapon, health, and armor spawners have nothing to do with me. I didn't place them. I've stated this before. NeoSaber did - he doesn't have much experience with multiplayer deathmatch. With that said, it's being fixed for the 0.993 patch, along with additional deathmatch levels.

So you mean the little hills, water, bushes and general layout have no effect on gameplay?

And who made them?
