Aircraftkiller is a map newb. (ie. Glacier Flying ) Or did you get it from Westwood, and completed it? and took full credit?

Titan's work will get better with time.

I don't even know how to make maps, and I could make something better than Glacier in 10 minutes.

Ugh, I can't forget your other maps, Medical all those other pieces of junk. They are no fun at all.

Aircrapkiller is just jealous of Titan's work, Why else would he make a big deal and try and flame him?

ACK Your just a wh0re and a fukin ren n00b.
