Running low on self-esteem? What are you, my shrink? You make me laugh, well, just in my head... I can't really laugh at anything you're writing because it's so fucking stupid.

Go ahead and sit in that GSA lobby. I have no intention of joining a game of Renegade because some forum kid wants to play me.

1. I don't fight challenges, especially not two player games, because they prove nothing other than you were able to use the cheapest tactic available to win the game.

2. Do I have a life? Of course I do. What does it matter to you? Are you that interested in my life that you have to bring it up in a forum, the same one you're posting in? I can't really sit here all day when I have to work... and I'm bored right now, since it's 2:50 AM, so why shouldn't I sit here and post shit about moronic little kids like you?
