2. Do I have a life? Of course I do. What does it matter to you? Are you that interested in my life that you have to bring it up in a forum, the same one you're posting in? I can't really sit here all day when I have to work... and I'm bored right now, since it's 2:50 AM, so why shouldn't I sit here and post shit about moronic little kids like you?

Posts: 1911, You must post alot of shit about moronic kids.

I bet, 1811 of these posts were flaming people.
the other 100, are probably posts of your whining like a little girl.

So, again why did this post start?
