Some have obviously been bent beyond personal restraint, due to a lack of esteemed

Being deliberately callous towards others is a trait of a callow. It also takes the focus away from the actual topic and directs it to personal mockery instead. It serves no purpose, other than ridicule.

I make no claims of distinction; I contribute in my way and in my time, despite the disapproving views of another. I have faith to guide me from despair.

Enjoy, with a mature conscience.
