So yeah, Hareman,

A marine and a navy (lets see...) soap-tosser are in "the head" at the same time. They both take a piss and they go to wash their hands. The navy kid washes his hands and dries them while the marine just walks toward the door. The navy kid calls out:

"You know, in the Navy, they teach us to wash up."

The marine turns around, laughs, and says:

"In the marines, they teach us not to piss on our hands."
