<http://gg.glitch-designs.net> aka Glitchy Gamers and the the 150th Batle Axe proudly annouce today the opening of his first Renegade on-line server of a capacity of 127 USERS!

The server will be opened sometime this week, until then, stay tuned!

If you have any suggestion about the rules and map rotation stuff, post em' here or on the Glitch.NET forums :

www.glitch-designs.net/forums

UPDATE:SPECS UNLEASHED:

2.4 ghz

dual p4 server

with OC-3
