hee hee hee ya know whats funny? crimson you were saying you wre having to pay back your tax cuts because of democrats.

well, because of the war in iraq each person will have to pay back 342 dollars!!! you just lost forty two dollars. now if gore had been elected (even though he was technically) you wouldnt have lost as much money for two reasons

1. since gore is competent unlike our current head honcho he wouldnt have gone to war with iraq and he would have done something about 9-11 (they had a call on 9-10 informing them that there was going to be terrorist activity!!!)

2. we wouldnt be in the horrible deficit we are facing now!!!! hee hee hee
