yeh thats right i have a FDS serial.. BUT i shall only give under 1 sircumstance.. that you give me A "working" Renegade serial (one on back of cover).

i have 3 computers in my house and i want the game on another computer.

Before i give you the FDS serial i wanna check that your Renegade Serial works just incase there are any Noobs out there

PLease reply if you have a "working...UN-USED!!!!!!" RENEGADE SERIAL!!
