Hi Guys

Just Letting You Know about The All new Report League I have Setup For C&C Renegade. Check it out & let me Know What you Think, Just one other Thing Anyone That Signs up there Clan & Members you Must Abide By the Rules i:e No Cheating Whatsoever If Caught You Get a Life Time Ban From The League.

And i Can Assure You When Crimson & Blazer and Co Finally Have Renguard Ready For Bussiness This Leagues Servers Will Be Supporting This Anti Cheat Tool Fully.

So Beware.

So Basically If your a non Cheating Clan & Play For Fun This is The League for you.
