"I'm sorry" is all you have to say. I don't even care if it has bad grammar like "ima srry". You're only hurting yourself.

First I don't have to say anything, I chose to respond for my own entertainment only.

Secondly, I'm not sorry.

Lastly, How do your purpose I'm hurting myself ?

You are only hurting yourself because you want the pictures of the old units and I can give them to you but rather I do or don't I don't really care. I just want to help you and you refuse to say "I'm sorry".

BTW, you're an optimist aren't you?

You can give me the pictures at a price I refuse to pay, the comprimising of my will for your own. You dont 'just want to help me' you desire to break my will and succumb to your desire of being justified in 'thinking' that I was in the moral wrong for telling you to STFU in another thread. You wouldn't believe or understand the 'price' I'll pay to preserve my will & path in life to be untainted and solely my own. For my will & my mind is all I have therefor these two very precious things will not be comprimised muchless for some pictures.

BTW, I'm an objectivist. See <http://www.aynrand.org/objectivism/essentials.html> for further details.

ps. You don't even realize the 'asking price' for these pictures but you beg the offer none the less.
