Aircraftkiller Yeah, you ever think it stems from jealousy? Or people finding out that what they're doing is wrong, from an experienced person?

That's how it is when you're at the top... You have so many people trying to take you down.

I completely understand. There is most definatly a certain segment of the community who des-likes you because of your ability and accomplishments. The other half des-like/fear you because of your attitude. Do you care ? Probably not. Why am I saying this ? Just giving an opinion & agreeing with you...I enjoy doing that to show you my des-like for you isn't blinding also proven by example via repairing you in the few games I had the pleasure of playing with you.
