EvoSnipeyeh but together they own tanks, and infan is no match, butttt since my last post i decided havocs and ravs are the best. (bcuz i rock with them)

Regards,

Evo

P.S. dragonman, i dont need a gunner to own you, prob just an engy w/ pistol

Imfao ok NooB whatever u say i gaurantee u would last with me in a game and if u use an engy i would just have to go sit in some tiberium till i had about 10 or less health left just to make it sorta fair for u

gotta go.....snipe ya all later :twisted:
