See what I mean, he posted again. Obviously the guy is just GAY & STUPID. I told him so many times He's on my ignore list, I don't want to read his shitty post but he still invades my threads.

Go Away snipesmo make some homo mirc scripts that says "snipesmo is gay" for br.net, people will download it like crazy, Heck I hate mirc scripts but I'll download that one   :rolleyes:
