da_shizAprimeDarkDeminYOU SIR EAT WANG....

ok now down to business WHY ARE ALL THESE DESIGN SITES POPPING UP BAD FOR BUSINESS!!!!

You know, you(plurar)'re no threat to anyone.

YET...every piece of work i put out gets better and better as i learn more and more. you can't deny that. the blue wallpaper is kind of an exception...but the 3 that i have made today are lookin good.

True, now here's a challenge that will really help your skills: Try creating a wallpaper with 1 or less filters.
