Mine is stolen, and I'd like to say "I love you guys!" on the inastudios.com forum im an outcast because i said i didnt like Inuyasha, and I "spammed" and said the "F" word, well thats kind of funny because its a forum for an R rated flash cartoon site. If they mean spamming as in summing up my post in 2 or 3 sentences instead of putting down a paragraph of mindless bullshit. Or it might be because I didnt take some shit from one of the "Gold" members. O.K. Ill shut up about my old forum.
