jonwill cant reveal too much but I can say that we (the RenGuard team) is working as hard as possible on RenGuard to get it out.

I myself will be giving 100% for as long as it takes to get this finished.
And I expect everyone else (mac, blazer and anyone else who has stuff to do) to give 100% also.

I will be using pretty much all my spare time on this untill RenGuard is released.

Note this shows this mans Dedication. Good Job Jonwil ,good job. Keep it up you and the rest of the team!
