Mississippi? Don't you mean from NY to Wisconsin? Since K9 is in Milwaukee, I would think you would need to go to Wisconsin. Or is this an attempt to get AWAY from K9? DUMBASS!!!

dumb fuck, you didn't specify that it was Xbox Live, usually when you say you're switching from Game-X to Game-Y, it usually is the same platform you're talking about. Afterall, you can buy Halo for PC as well.
