mrpirateFuck that. Ban him. Stupid n00b bans me from his servers.

Keep shit like this up and your whole clan will be.

Go play on your 18 player server that has 2 players max.

b.t.w I think like 90% of gse is banned from all servers for doing something gay like playing under differnt names using bighead and final, then when they are caught and banned they claim why the hell were we banned.

Intresting enough, no gse members are in the ban logs, so if you were banned you must have been acting like a retaded little n00b under a differnt name and got your cdkey baned. :rolleyes:
