Oke, I made a topic about this already in the clan forum, but I searched the internet and i found many complainments about the mos clan and especially windfight and fastnoob.

<http://fastnoob.gu2.info/wbboard/thread.php?threadid=4&boardid=4&styleid=2&sid=f48a683f368fa9fb65a3251ddbc8a75c>

this is the topic i made over the fact that they kicked us out of a winning clan game (we were winning and got kicked 3 minutes before the end)

Anyone else that has bad expercience with these clan and this two guys?
