CwazyapeDont copy that floppy!

(Funny as hell)

OMG (first time i used this online), that was scary as hell.

pulls power plugs to his disk drive out of his pc

I don't want that guy ever coming out of my pc.

On a diffrent note: I just heard on the radio (10 sec ago) that scientist from harvard have said that there is no connection between downloading music from the internet (kazaa) and the decline of people buying cd's in the stores.
