Hall & Oates made a few good songs. I only have Private Eyes, Method of Modern Love, Maneater, and Everything Your Heart Desires.

I listen to 80s music, mainly. If I'm not listening to that, I have grunge rock, classic rock, or modern rock on my playlist.

My list is 95% 80s stuff right now because I lost everything I had downloaded before my computer format, too many songs to backup.
