AircraftkillerHow were pacifists proved correct? No major war has ever been prevented by pacifists.

Dude...it's called India...ever heard of a man called Ghandi? I hate to say it ACK...but you just fucked up. The Indian Revolution was a war fought by pacifists...and guess what...they won.

Also the Cold War...the Policy of Containment...just thought I'd mention that

And the Vietnam war was ended by pacifists...it wasn't prevented due to jackass's like you who dont question the American government...good thing too...because...well...the Vietnam war was a completely just war...and it's a good thing we won it too...
