LOL, I offered him two Ren Serials for 2 FDS Serials considering I have an overabundance and he said on MSN, "ok here they are we sent them at the same time for a fair trade so you dont run" and I said Ok. So I sent him the text file with the two Ren Serials and he logs off MSN. Guess I should have changed a number in them before I gave them to him... :rolleyes:

I'll have some screenies you can look at in a minute, this guys a real idiot. He won't even be able to use them anyway, so no big deal. But I wanted my FDS serials... bah, oh well. If I ever see him on WOL hes gonna be having some problems.

Edit: Who was offering the serials? Not you, Marssnipe was...
