NodbuggerGizbotvasThe Onion is a satire newspaper started here in Madison, WI. Quite funny.

Back in January of 2001, the Onion ran this headline. keep in mind, this was before any problems with China, Al-Quieda, Afghanistan, Iraq, North Korea, or even the economic slump.

Not just funny, so dead-on accurate, it almost seems precognitive.

Here in chicago the Onion is the "poor people" newspaper.

No its not. I know alot of people here in Chicago that read the Oionon and are not poor.
