[quote="Duke of Nukes"]KIRBY0983. Black and white puts us in Korea and Vietnam. It puts us saying "Fuck Iraq" and nuking the country...as president Bush has threatened Saddam with. Grey puts us in the liberation of India, ending the oppression of an entire nation

When we drop a nuclear weapon on Iraq, then you can make this case. Anything else is pure guessing, and speculation.

Tip for the day: Don't join your highschool debate team.
