lol, temper already flaring...

He didn't violate the TOS... he didn't use profanity to express his opinion a.k.a "flaming".

Quote:stupid homo threats after getting put in your place.

Please, show me, where did ANYONE in this thread (yourself exempt) make any threats?

Quote:You wanna test bugs? Run it on lan 1 player, I don't need your shit on my servers.

I did.. needed to see if I could reproduce it in MP.. It has something to do with harverster pathfinding, so it wouldn't affect your players negatively.
