xC4pRoXOk, first of all, just because i used final renegade on two or three games EVER, doesn't mean i'm a natural born cheater. Second of all, ffs this is getting annoying, if i did try to hack your program...why would i still be here saying I didn't even when you claim I "set off an alarm"?

Because you're a CW twat who has lied many'a time in the past aswell? :rolleyes:
