Subject: Renguard starting
Posted by renegade123 on Fri, 09 Apr 2004 17:57:42 GMT

Hi. On the day I got this, it worked first time. but when my bro tried it for a second time, he click on renegade and it said,
"Renguard is loaded. Unload it and try again." But how do I do this?

And how do you get rid of Renguard anyway?   :twisted: :twisted: :twisted: :twisted: :twisted:
