ScrumfyAlkalinescrumfy it useless trying to argue with these idiots, what sort of anit cheat system you guys doing?

b.t.w are you with Black-cell ?

Yes, I am. I'm not going to release any details on it, but not because I'm making this up. It's under development, and therefore I'm remaining quiet about it.

Sounds good, wl hope once its ready you will distribute just like the exellent server side mods you have made. B.t.w. DS is also the best moderation utility I have seen, kudos.
